

ANNUAL REPORT FOR THE SESSION 2020-21

J.K.G School, Nandgram, Ghaziabad, is committed to ensure the overall holistic development of our students in addition to our efforts to impart the best education.

Vision and Mission:

To provide value based quality education by creating an environment, where quest for knowledge is ignited in the young minds.

We, in J.K.G. I strive to blend the heritage, culture, values and wisdom of ancient India with constantly changing needs and aspirations of the modern society. Thus equipping the students with knowledge, experience, and life skills, to develop them into a complete human being ready for leadership roles in today's competitive environment.

J.K.G's are pace setting institutes and they are chosen for the implementation of new programmes in teaching, testing and evaluation. The school has witnessed and gone through immense changes during this year. Activity based curriculum and teaching practices have been adopted by our teachers to make learning more easy and comprehensible to our students.

CBSE Results

There is no detention in Primary and Secondary classes. In the previous session, our students have made us proud by scoring 100% result in class XII and 92% result in class X. Highest scorers in class XII were Aman Tyagi [PCM] 95.4%, Nitin [PCM] 95.2%, Ayush Chaudhary [PCM] 95.2%, Anuj Panchal [Commerce] 94.2%, Abhishek Rajput [Commerce] 93.2%. Highest scorers in class X were Nirdosh Raghav [96.6%] Sarvan Kumar [94.8%], Yashika Chauhan [94.2%]. The credit of strenuous performance goes to the collective efforts of our efficient & productive Teachers, hardworking students and cooperative parents.

Academic Activities:

Academic activities beyond curriculum provide children opportunities to showcase their talents. House wise and open house competitions were conducted throughout the year in Debate, Sanskrit recitation, drawing and painting, Art and Craft, English extempore, English recitations, song and dance competitions etc. The activities are conducted at classroom level, school level and inter-house level. Some of these events are essay, Story and slogan writing competitions, Poetry recitation, English and Hindi elocution, GK, EVS & Maths quiz competitions. Prizes are awarded during school assembly.

Science, Maths and English and GK Olympiad are conducted every year and the students perform excellently at the school, local as well as National level.

Art Integrated Learning has been added to the school curriculum even before the CBSE mandated it as compulsory. An elaborate Art Exhibition is conducted every year which brings out the artistic talent of our students and draws a lot of attractions.

Sports and Games:

Strenuous exercise and interest in games is an outlet for the vigor of youth. Ample opportunities were provided to our children to play and prove their mettle in various sports and games at our school, cluster, regional and national level competitions. Our students had actively participated in different sports competitions in the previous sessions.

A large contingent of students participated in CBSE Cluster for athletics in previous sessions and won Gold , silver and bronze medals in various athletics events. Nishita Neeraj of class XII has won 3rd position in 200m, 100m race [CBSE Cluster], 3rd position 300m in Reliance Foundation Youth Sports

Environment Education:

Students at J.K.G are aware about their environment and make regular efforts to protect and preserve it. The importance of environment preservation has always been stressed by organizing various activities related to environment protection, water conservation and tree plantation, banning the use of plastic etc. School has rain water harvesting system. There is green look and lot of plantation of trees all around.

Parents Teachers Association:

A General Meeting of parents is held on a regular basis and new members of the PTA are nominated every year. The PTA members of our school have a regular participation in academic activities. We thank and congratulate them for their support and co-operation through the years.

Students Enrichment programmes:

Trainings, seminars, workshops and orientation programmes are conducted every year for teachers and students with a dual focus to improve and effectively implement innovative ideas in teaching-learning practices as well as to take the students beyond their current level of learning.

Staff Enrichment programmes [Training & Seminars]

Staying updated is the key to success in any field, especially in the field of education. Our teachers constantly strive to stay updated, by attending workshops and various training programmes. Few of them are as follows:

Teaching strategies and methods in Economics organized by CBSE.

Integration of Arts in Science organized by CBSE

Integration of Arts in Biology conducted by CBSE

Project work and practical in Accounts conducted by CBSE.

Innovative pedagogy in science experiential learning conducted by CBSE.

Understanding Blooms Taxonomy and its application in Chemistry conducted by CBSE.

And many more.

Online Study during Covid 19 :

The spread of pandemic led to nationwide lockdown has led to a shift the learning activity with online education. The COVID-19 has caused the shutdown of schools last year. As a result, education has

changed drastically, with the increased focus on e-learning, whereby teaching is undertaken remotely and on digital platforms.

At J.K.G School, teachers and coordinators have helped strenuously and are regularly in contact with the students and parents and taking the online classes regularly. Apart from this, students are given various other extracurricular activities such as drawing, cooking, singing, dance etc. based on their syllabus which they can carry out at their home easily and we put their videos on social media and websites.

Children's safety is the foremost priority of the school. For this purpose CCTV cameras have been installed at different places in school. POCSO Committees have been formed to curb the incidents of sexual harassment from grass root level as instructed by CBSE. Preventive measures against COVID 19 like sanitizing tunnel at the entrance of school, proper sanitization of the school premises on regular basis, availability of sanitizers and masks etc have been done.

Tours and Trips:

Continuous efforts is being made to organize Educational tours for the students. School organizes various educational tours for the students so that they may have a break from the monotonous life and have some different experiences about life.

Conclusion:

As there has been an unprecedented crisis situation since 2020 we are confident that we will overcome all the odds by our strong will and efforts and pave the way for the betterment of the education fraternity and the society in general.
